84S, a top young sire at Red Hill Farms, can LOWER your COSTS of beef production. M554, dam of 84S, excels in udder quality, fleshing ability, and reproductive efficiency. She is also the granddam of the B571 sons listed below. This line of cattle thrives on fescue combined with the heat and humidity of the south.

Offering 4 B571 Sons

(Beckton Julian B571 x 1BWJ Barmaid 54P)
